

## 2024-2025 Board Candidates

### Ryan Bourgo

Hi Hidden Harbor! My name is Ryan Bourgo and, along with my wife Carrie, and three children (Owen 14, Alana 12, and Iris 5), have lived in the neighborhood for nearly 3 years. We absolutely love this community; it is the friendly and helpful people that live here that make this community what it is. A bit about myself: I have a Ph.D. in Genetics, have done cancer research for most of my career, and now work as a Scientific Business Director for a medical communications company. I'm a family man at heart, and am so excited for the opportunity to give back to this community and help Hidden Harbor continue to thrive, continue to be an amazing place to raise a family, and hopefully find ways to improve upon an already great thing!

### Sean King

Hi there! My wife Michelle and I moved here this past June (2023) with our two children Sawyer (8 boy) and Charlie (3 girl). We were already excited about the house and the neighborhood amenities, but we have absolutely fallen in love with Hidden Harbor. Everyone here has been so kind and welcoming, and we have made some excellent friends already!

We own Cultivating Digital (formerly RTS Consulting) which is a web design and digital marketing firm. When I saw that Hidden Harbor also had a website, I felt there were some opportunities where I could add my expertise. We are currently rebuilding the website, and should have the complete update in place soon. My hope is that I will be able to join the board and help find other opportunities to make Hidden Harbor the best it can be for all its residents.

Thank you for your consideration.

“My wife Amy and I have lived in Hidden Harbor since 2011. We love the amenities the neighborhood offers, especially the pool and the activity field. We enjoy the sense of community and friendships we’ve developed with our neighbors over the years. Amy and I have two daughters ages 14 and 10.

In my professional life, I serve as an Assistant District Attorney General for the 12th Judicial District, which includes Rhea, Sequatchie, Marion, Bledsoe, Grundy, and Franklin counties in Tennessee. I’m in my 20th year of being a prosecutor, and I have successfully tried some of the highest profile and violent crimes in Hamilton County history.

I graduated from Cecil C. Humphreys School of Law in Memphis in 2003 and have served as an ADA in the 25th and 11th Judicial Districts. I’ve dedicated my legal career to public service in law enforcement.

## Candidates For Reelection

### **Naino Leo**

I have lived here for 13 years and have been a very good neighbor. I retired 10 years ago. I've been serving as Vice-President on the Hidden Harbor HOA Board for the past 8 years.

Previously I lived in a condo at Ormond By the Sea, north of Daytona, for 22 years. Started out as secretary and treasurer for first 10 years and finally became president for last 10-12 years. I was responsible for daily business and all repairs for the condos. Though we only had 10 units, living on the ocean was a challenge...hurricane season. I put shutters up for units since most owners were absent. I was in charge of assessing damage and overseeing repairs after we had 4 hurricanes in a month. I secured bank loans to pay our insurance deductible in order to get work started on repairs. I conducted monthly meetings and created annual reports and suggestions for upcoming year. I knew where every dollar went in our association. I was responsible for getting quotes for everything and making sure we got our money's worth. I spent 35 years with McDonald's as a manager and supervisor of 7 stores with about \$9-million in business with 300 employees.

### **Dainius Jonika**

I am originally from Lithuania, and I have lived in US since 2001. We selected this neighborhood in 2017 because of its friendly atmosphere, great amenities, and perfect location. My wife and children, Theo 3, Sophia 1.5, and I enjoy the swimming pool, boat dock, and all neighborhood gatherings.

I have a master's degree in accounting from the University of Tennessee, Knoxville and I am also a Certified Public Accountant (CPA). I have worked for EY public accounting firm for the last 10 years. I am also a First Lieutenant in the Tennessee National Guard.

I have never been a part of such a community as we have here at Hidden Harbor. I absolutely love the friendly neighbors, people walking their dogs, kids playing in the pool and so much more. My wife is the business manager for the neighborhood and is active in the social committee. I believe that this neighborhood is doing a lot for my family, and I enjoy giving back what I can, I have been the Treasurer for the last 2 years and have enjoyed my time.

Thank you for considering me for reelection to the board.
