BEHIND ON DUES?

If you don't pay, you can't play!

This year the pool is implementing a new electronic check-in method at the gate. If you're delinquent by more than one full dues payment, you'll be denied access. So make sure you settle *up* before coming *down*!

BE KIND TO YOUR NEIGHBORS!

The pool is staffed by our young men and women...

If you have feedback or a dispute, please do not address our underage pool staff. Instead, use one of the methods below to contact our adult staff or board members.

SWIM LESSONS

The pool is for HH residents and their guests only. All activities that occur at this site are under HH Board supervision. From time to time the Board receives requests from swim instructors that swim lessons be given with the use of the pool facilities. Since the neighborhood benefits from swim lessons in general and it is in the better interest of our community, the Board has agreed to allow certain qualified swim instructors to conduct private swim lessons with proper supervision and advanced notice to the Pool manager. Many of the lifeguards give swim lessons on their own time for a small fee, check with the pool staff on availability.

Please note that these are general guidelines, and they may be amended or changed at any time. Also, these privileges may be revoked at any time without notice by the Board or Pool Managers.
